Mining lease - Manganese -Harpanahalli taluk - Aligilavadi failure to work the mine - extension recommended - Ref. B.P.Mis. 2745 dated 18.9.30.

Enclosed is a copy of a letter from M.R.Ry, K.C. Narasimhachariar. I recommend that a further extension of time for one year may be granted.

For Collector

R.V. 9.1.

mk 9/1

Copy of letter dated 31.12.31 from M.R.Ry., K.C. Narasimhachariar, Madras to the Collector of Bellary.

In reply to your Ref.C.No. 6098/31 dated the 11th December 1931, which was received by me on the 17th instant, I beg to state that the Manganese Market continues to be too un-remuneratively low to resume working the mine in the near future. I have paid so far over Rs.5000 by way of rents which at least shows my bona fide desire to retain the mine for working it up. When much better mines have closed down, I consider, it would be unwise to resume mining operations just now, notwithstanding that the one year's time originally granted to me has got expired. If therefore you are pleased to recommend a further one year's extension of

time, I shall either resume mining operations before the end of that period, or myself relinquish the Mine. As I pointed out in a previous communication (dated 26th August 1930) the Local Government deprived me during the boom period of the benefit of working this mine, and it was only as a result of the intervention of the Government of India, that the possession of the mine was restored to me. I venture to hope that this fact may be taken into consideration in deciding the question of the further extension of time that I am seeking.

Requesting the favour of a sympathetic consideration.

Munug leases - Manganese - (Bellary) - Harpanahalli TK - Hligilavada - Failure to work the mine - Extension of time - Recommendation

K 98/32 pic. 7.

To A.S. (Sett).

Pl. see the Bellary Coll's letter at pic. 7.

2. The Coll recommends the grant of a further extension of time for one year. Attention is invited to Rsb 2745 dis of 18-9-30. on which the Bd. granted ~~concession~~ time for one year to resume work in the mine and asked the Coll to submit proposals for the cancellation of the lease if work was not started within the time allowed. At the request of the lessee the Coll recommends the grant of further extension of time. Presumably he is satisfied that the lessee deserves the further concession. It is true that the manganese market is dull. For orders whether the Board would accept the Coll's recommendation and grant the further extension of time for one year.
